The liturgy of the Catholic Church is the action by which Jesus Christ unites the members of the Church in glorifying God. It makes people holy through words, music, action and signs. The Eucharist is intended to be the most powerful means of union with our God, with the saints in heaven and with each other, and is to be a foretaste of the praise of God given in joy by the saints in heaven. As we move through the whole of the year, the Church is united with the mysteries of Christ's earthly life so as to come closer to her Lord and Saviour. Monsignor Peter Elliott provides scholarship and many years' experience and love of the liturgy. His previous work Ceremonies of the Modern Roman Rite has helped many people to celebrate our liturgy with attention and devotion. This present work is a guide to the most important moments of the Church year from Advent and Christmas to Holy Week, Corpus Christi and to the Solemnity of Christ the King. His book has been a long-awaited guide to those who wish to celebrate the events of the Church year with dignity, devotion, and deep faith. "Monsignor Elliot is one of the most insightful and reliable liturgists writing today. The rubrics of the Roman Rite are not self-explaining, but with Elliott's work safely in reach, a generation of liturgists raised without a rich training in tradition can confidently approach the Ritual and be more respectful of the faithful's fundamental right to sound worship."—Dr. Edward Peters Institute for Pastoral Theology, Ave Maria University
