"SpringBoard is a world-class English Language Arts Program for students in grade 6-12. Written by teachers for teachers. SpringBoard offers proven instructional design to get students ready for the AP, the SAT, and college"--Back cover.

“WE NEED TO TALK.” In this urgent and insightful book, public radio journalist Celeste Headlee shows us how to bridge what divides us--by having real conversations BASED ON THE TED TALK WITH OVER 10 MILLION VIEWS NPR's Best Books of 2017 Winner of the 2017 Silver Nautilus Award in Relationships & Communication “We Need to Talk is an important read for a conversationally-challenged, disconnected age. Headlee is a talented, honest storyteller, and her advice has helped me become a better spouse, friend, and mother.” (Jessica Lahey, author of New York Times bestseller The Gift of Failure) Today most of us communicate from behind electronic screens, and studies show that Americans feel less connected and more divided than ever before. The blame for some of this disconnect can be attributed to our political landscape, but the erosion of our conversational skills as a society lies with us as individuals. And the only way forward, says Headlee, is to start talking to each other. In We Need to Talk, she outlines the strategies that have made her a better conversationalist—and offers simple

tools that can improve anyone's communication. For example: **BE THERE OR GO ELSEWHERE.** Human beings are incapable of multitasking, and this is especially true of tasks that involve language. Think you can type up a few emails while on a business call, or hold a conversation with your child while texting your spouse? Think again. **CHECK YOUR BIAS.** The belief that your intelligence protects you from erroneous assumptions can end up making you more vulnerable to them. We all have blind spots that affect the way we view others. Check your bias before you judge someone else. **HIDE YOUR PHONE.** Don't just put down your phone, put it away. New research suggests that the mere presence of a cell phone can negatively impact the quality of a conversation. Whether you're struggling to communicate with your kid's teacher at school, an employee at work, or the people you love the most—Headlee offers smart strategies that can help us all have conversations that matter.

SpringBoard Mathematics is a highly engaging, student-centered instructional program. This revised edition of SpringBoard is based on the standards defined by the College and Career Readiness Standards for Mathematics for each course. The program may be used as a core curriculum that will provide the instructional content that students need to be prepared for future mathematical courses.

A Wharton School professor and award-winning author helps readers discard their old definitions of success, particularly ones promoted by outside influences, and create new ones based on their own unique talents, values, personalities and motivations.

Language activities covering word construction, comprehension, spelling, creative writing and vocabulary.

Classic Books Library presents this brand new edition of the short story, “An Occurrence at Owl Creek Bridge” (1890) by Ambrose Bierce. In this text Bierce creatively uses both structure and content to explore the concept of time, from present to past, and reflecting its transitional and illusive qualities. The story is one of Bierce’s most popular and acclaimed works, alongside “The Devil’s Dictionary” (1911). Bierce (1842-c. 1914) was an American writer, journalist and Civil War veteran associated with the realism literary movement. His writing is noted for its cynical, brooding tones and structural precision.

After a family tragedy orphans her, Rachel, the daughter of a Danish mother and a black G.I., moves into her grandmother's mostly black community in the 1980s, where she must swallow her grief and confront her identity as a biracial woman in a world that wants to see her as either black or white. A first
