An introduction to the policy, principles and practice of the Australian taxation system. Foundations of Taxation Law 2021 provides a clear and concise introduction to the policy, principles and practice underpinning the Australian federal taxation system. It is designed to progressively build the reader's understanding of taxation law, helping to navigate the complex legislation that governs its operation. This thirteenth edition has been substantially revised to take into account many important legislative reforms, common law developments, administrative changes and policy announcements that have occurred since the previous edition. In particular, it includes extensive analysis of the taxation stimulus measures introduced by the Government to deal with the economic effects of the coronavirus pandemic, the imputation changes arising from the new corporate tax rate for base rate entities, the proposed reforms to the research and development tax incentive, and the Board of Taxation's recommendations for changes to the residency rules for individuals. It also has a more in-depth policy and technical discussion on several areas of law, along with many new diagrams, examples, and a more user-friendly index. Use in conjunction with the Core Tax Legislation and Study Guide 2021 for legislative provision extracts and the Australian Tax Casebook, 15th edition for summaries of the cases covered in this text. NEW CASES TO THIS EDITION INCLUDE: FC of T v Addy, Bosanac v FC of T, Burton v FC of T, Greig v FC of T, Mussalli & Ors v FC of T, FC of T v Sharpcan Pty Ltd, Moreton Resources Ltd v ISA.

Summary: "2011 Foundations of Taxation provides a clear and concise introduction to the policy, principles and practice underpinning the complex Australian federal taxation system."--Publisher description.

Foundations of Taxation Law is a clear, comprehensive introduction to the policy, principles and practice of Australia's taxation system. An introductory guide for law and business students and tax practitioners, the text blends policy issues, taxation theory, technical 'black letter law' and commercial practice into a succinct, principled text.

"Foundations of New Zealand Taxation Law provides a clear and concise introduction to the policy, principles and practice underpinning New Zealand's complex taxation system. The 2018 edition has been completely revised and updated for new developments in income tax and GST law, and includes a new chapter entitled "The Capital-Revenue Distinction". Written by a team of academics and industry experts, the text provides a framework for students and new practitioners who need a succinct and easy-to-read explanation and analysis of tax law. User-friendly examples, diagrams and tables are included throughout the book to clarify the law and assist the reader in understanding key principles."--Publisher information.

Core Tax Legislation and Study Guide 2020 is a key text for tertiary students undertaking taxation subjects in law and business schools around Australia. The book is designed to be used in conjunction with other OUP taxation books, such as Australian Taxation Law, Foundations of Taxation Law, the Australian Tax Casebook and the Wolters Kluwer CCH text Australian Master Tax Guide. The book is divided into three parts. The first part contains a Research and Study Guide, which suggests various ways that students might go about researching tax problems, writing assignments and

preparing for exams. The second part contains the Core Tax Legislation, which comprises extracts from relevant pieces of income tax, goods and services tax, fringe benefits tax, superannuation and related legislation and regulations. The compilation includes the main provisions studied in most tertiary taxation subjects and incorporates all amendments to 30 September 2019. The third part is a comprehensive Legislation Index.

Foundations of New Zealand Taxation Law provides a clear and concise introduction to the policy, principles and practice underpinning New Zealand's tax laws. Written by a panel of tax academics and tax experts in practice, this 2020 edition has been revised and updated to take into account significant tax developments that occurred throughout 2019. Ideal for students seeking a straightforward explanation of the fundamentals of taxation law within a framework that provides context and historical background, the text includes a series of study questions at the end of each chapter to aid with preparation for exams and assignments.

Foundations of Taxation Law 2015 was previously published by CCH Australia. Foundations of Taxation Law 2015 provides a clear and concise introduction to the policy, principles and practice underpinning the complex Australian federal taxation system. It covers a broad range of Commonwealth taxes, including income tax, GST, and FBT. This 7th edition has been considerably restructured and revised to take into account many important legislative reforms, case law developments, administrative changes and policy announcements that have occurred over the last year. Written by Professor Stephen Barkoczy, winner of the 2008 Prime Minister's Award for Australian University Teacher of the Year, this book is ideal for students and professionals at all levels who need a succinct and easy-to-read explanation and analysis of fundamental taxation law concepts. User-friendly examples, diagrams and tables are included throughout the book to clarify the law and assist the reader in understanding key principles. To further enhance the learning experience, the book includes a CD-ROM containing approximately 1,000 PowerPoint® slides that match specific topics in the book. These slides are useful for distilling the key points covered in each of the chapters. Foundations of Taxation Law 2015 is also available in the following value packs: Foundations Student Taxpak 1 2015 Foundations Student Taxpak 2 2015 Foundations Student Taxpak 3 2015 Foundations Student Taxpak 4 2015 Foundations Student Taxpak 5 2015 Foundations Student Taxpak 6 2015

"2012 Foundations of Taxation Law provides a clear and concise introduction to the policy, principles and practice underpinning the complex Australian federal taxation system." -- p. 4 of cover.

"Foundations of New Zealand Taxation Law provides a clear and concise introduction to the policy, principles and practice underpinning New Zealand's complex taxation system.
