Birds' Modern Insurance Law presents a concise yet analytical explanation of the fundamental principles of insurance law. Written in an accessible and straightforward manner the work covers everything from the history of insurance and regulation, through to the various forms of insurance such as life and liability.

~~Kenya School of Law Library | The Ultimate Legal ...~~

For example, Business Corporation Law § 103(b) provides, "This chapter applies to commerce with foreign nations and among the several states, and to corporations formed by or under any act of congress, only to the extent permitted under the constitution and laws of the United States." However, as the preceding discussion shows, that is a truism.
