Schuyler Van Alen is confused about what is happening to her. Her veins are starting to turn blue, and she's starting to crave raw meat. Soon, her world is thrust into an intricate maze of secret societies and bitter intrigue. Schuyler has never been a part of the trendy crowd at her prestigious New York private school. Now, all of a sudden, Jack Force, the most popular guy in school, is showing an interest in her. And when one of the popular girls is found dead, Schuyler and Jack are determined to get to the bottom of it. Schuyler wants to find out the secrets of the mysterious Blue Bloods. But is she putting herself in danger? Melissa de la Cruz's vampire mythology, set against the glitzy backdrop of New York City, is a juicy and intoxicating read.

Blue Bloods: Within New York City's most elite families, there lurks a secret society: its members are powerful, wealthy - and unhuman. They are the Blue Bloods, an ancient group of vampires. Schuyler Van Alen has never fit in at her prestigious New York City private school. She prefers baggy, vintage clothes to Prada and pearls. But when she turns fifteen, Schuyler's life changes dramatically: haunted by the death of a classmate, she craves raw meat and finds herself the romantic interest of Jack Force, the most popular boy in school. As one discovery leads to the next, Schuyler finds herself drawn into the elusive social circle of the Blue Bloods—and a mystery that threatens to destroy them all. Masquerade: Schuyler wants an explanation for the mysterious deaths of young vampires, and travels to Italy in the hope of finding the one man who can help - her grandfather. Meanwhile, back in New York, glamorous Blue Bloods prepare for the Four Hundred Ball - an exclusive gala hosted by the city's powerful undead but it's at the after-party masquerade that the real danger lurks. Hidden behind the masks is a revelation that will change the course of a young vampire's destiny. Revelations: Schuyler's heritage is under scrutiny: is the young vampire in fact a Blue Blood, or is the sinister Silver Blood coursing through her veins? As controversy swirls, Schuyler is stranded in the Force household, trapped with her nemesis, Mimi Force, and her forbidden crush, Jack Force. But when an ancient center of power is threatened, the Blue Bloods need Schuyler on their side. Romance, glamour, and vampire lore collide in Melissa de la Cruz's best-selling Blue Bloods series.

'Superb. The most stunning memoir ever written about the cop world' Joseph Wambaugh 'Beautiful and inspiring, terrifying and heartbreaking' James Frey 'More chilling than even the most realistic cop dramas on TV' People 'A great book...with the testimonial force equal to that of Michael Herr's Dispatches' Time Blue Blood is the fast-paced, insider story of Edward Conlon's career in the New York Police Department. Conlon tells of his first days as a rookie, walking a beat in the south Bronx through his time in narcotics and his ascent to gold shield detective. Conlon is the product of generations involved in law enforcement, good cops and bad, and he paints a vivid portrait of the teeming street life of the city, in all its horror and splendour. It's all here: adrenaline-fuelled chases, toxic police politics, crackhead informants and police camaraderie. The pace is relentless, the stories hypnotic, the scope nothing less than monumental.

The stakes have never been higher for the young Blue Bloods of Manhattan. After their brief yet beautiful bonding ceremony in Italy, Schuyler Van Alen and Jack Force depart for Egypt, desperate to find the elusive Gate of Promise before Jack must face his twin, Mimi, for a blood trial. A blood trial that only one of them can survive. But everything Schuyler thought she knew about the gate turns out to be a lie, and they soon find themselves ensnared in a deadly battle against the demon-born. Schuyler and Jack take up arms, only to realize that there is a much graver threat simmering in the Kingdom of the Dead. Meanwhile, determined to save the only vampire she still loves, Mimi has followed Kingsley Martin into Hell. With the help of her new human Conduit, Oliver Hazard-Perry, Mimi makes a bargain with the Queen of the Dead that she may soon regret. When the time comes to choose between love and revenge, both Mimi and Oliver will learn the true meaning of sacrifice. Confronted by danger, betrayal, and loss at every turn, the Blue Bloods must find the will to fight—and love—another day.

Have you ever wondered what secrets lurk behind the closed doors of New York City's wealthiest families? They're powerful, they're famous... they're undead. Schuyler Van Alen's blood legacy has just been called into question—is the young vampire in fact a Blue Blood, or is it the sinister Silver Blood that runs through her veins? As controversy swirls, Schuyler is left stranded in the Force household, trapped under the same roof as her cunning nemesis, Mimi Force, and her forbidden crush, Jack Force. When one of the Gates of Hell is breached by Silver Bloods in Rio de Janeiro, however, the Blue Bloods will need Schuyler on their side. The stakes are high; the battle is bloody; and through it all, Carnavale rages on. And in the end, one vampire's secret identity will be exposed in a revelation that shocks everyone.

With her best friend, Oliver, Schuyler travels to Italy in the hope of finding the one man who can help—her grandfather. Hidden behind the masks is a revelation that will forever change the course of a young vampire's destiny.

As the Blue Blood enclave weakens yet further, fate leads Schuyler closer to a terrifying crossroads--and a choice that will determine the destiny of all vampires.

Schuyler Van Alen is running out of time. The Dark Prince of Hell is storming the Gates of Paradise, intent on winning the heavenly throne for good.
