~~This guide to job hunting teaches readers: how to become a powerful candidate by looking beyond the job description; how to use the four questions to distinguish a right interview from a wrong one; how trying to get a job can land you in the wrong job; where and how to gain the inside edge needed to interview confidently and convincingly; how to control the interview to one's advantage; how to make the prospective employer see the applicant as the solution to his/her problems; and how to win the job by doing the job.~~

~~In this madcap journey, a bestselling journalist investigates psychopaths and the industry of doctors, scientists, and everyone else who studies them. The Psychopath Test is a fascinating journey through the minds of madness. Jon Ronson's exploration of a potential hoax being played on the world's top neurologists takes him, unexpectedly, into the heart of the madness industry. An influential psychologist who is convinced that many important CEOs and politicians are, in fact, psychopaths teaches Ronson how to spot these high-flying individuals by looking out for little telltale verbal and nonverbal clues. And so Ronson, armed with his new psychopath-spotting abilities, enters the corridors of power. He spends time with a death-squad leader institutionalized for mortgage fraud in Coxsackie, New York; a legendary CEO whose psychopathy has been speculated about in the press; and a patient in an asylum for the criminally insane who insists he's sane and certainly not a psychopath. Ronson not only solves the mystery of the hoax but also discovers, disturbingly, that sometimes the personalities at the helm of the madness industry are, with their drives and obsessions, as mad in their own way as those they study. And that relatively ordinary people are, more and more, defined by their maddest edges.~~

~~" I can ' t stand my job anymore. " " I feel like I have no direction. Like I ' m just marking time. " " What is my purpose? " Do any of these thoughts sound familiar? In the last 70 years, social scientists and churches been trying to help people understand who they are and how they fit with personality tests and spiritual gifts tests – but these only go so far. Bill Hendricks goes beyond personality types to explore and explain the fullness of human giftedness and the concept of personhood. Using the " Discover Your Design " test, The Person Called You provides a specific, comprehensive, and accurate understanding of the phenomenon of human giftedness from a Biblical perspective. It moves past the limited scope of other gift discovery tests to look at each person ' s unique God-given designs and motivations. This book helps the reader understand their deep uniqueness as a human being and purpose in life from a variety of angles – work, marriage, parenting, education, and one ' s relationship with God. The Person Called You is for anyone who knows they aren ' t quite where they ought to be – and not quite where they will flourish best – and wants to who they were created to be. It ' s a presentation of hope – hope that there actually are answers to some of life ' s most perplexing questions.~~

~~Contains practice questions for each section of the GRE: verbal, math, and essay.~~
