happens as we realize our old life is now over. One of the most difficult aspects to get over is losing personal space and time. All of the freedoms we have grown accustomed to have instantly gone away. For Christian parents who have once had a thriving walk with God, having little children has made it next to impossible to stay connected the way we used to. But take heart, this season of life doesn't have to be defined by dry spirituality. Holy Parenting is a book that walks along with you as a parent: helping you come to terms with this new reality, expand your devotional diet, and providing helpful tools to develop your own faith as well as the faith of your children.

Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition.
