A practical assessment task (PAT) mark is a compulsory component of the final promotion mark for all candidates offering subjects that have a practical component and it counts 25% of the final Computer Applications Technology (CAT) mark. The PAT instructions will be uploaded as they become available.

Computer Applications Technology | Practical Assessment ...

Computer Applications Technology. The reason for this is because, for me, it loses its lustre when a subject – the cornerstone of many a career and the source of skills desperately needed for today's digital age – is reduced to a three-letter acronym and spoken of as if it were a second-rate, hand-me-down, last place, filler, “soft” option subject...instead of it being recognised as ...
