introduce you to some key concepts in criticism and theory.

Critical Reading (Online) | Oxford University  
Department ...

Critical reading involves presenting a reasoned argument that evaluates and analyses what you have read. Being critical, therefore - in an academic sense - means advancing your understanding, not dismissing and therefore closing off learning. See also: Listening Types to learn about the importance of critical listening skills.

by waldenacademicskills in Reading. Critical reading generally refers to reading in a scholarly context, with an eye toward identifying a text or author's viewpoints, arguments, evidence, potential biases, and conclusions. Critical reading means evaluating what you have read using your knowledge as a scholar. You may look at the quality of the writing, the quality of the research, and the persuasiveness of the arguments, among other things.
