Decoding Your Dog The Ultimate

Decoding your Dog is a decent book as an introduction to dog training and behavior. It summarizes the main points that you will read in more detail in other books. I think the biggest draw back is the level of redundancy found throughout the chapters. This is most likely in part, due to the fact that several people are writing this book.

Decoding Your Dog: Explaining Common Dog Behaviors and How ...

Decoding Your Dog is a new book from the American College of Veterinary Behaviorists, edited by D. Horowitz and J. Ciribassi, and it has a lot going for it. I have some quibbles too, but let ' s start with the good news. Without question the best part of the book is its continual reminder to dog owners that 1) you don ' t need to get " dominance " over your dog to train it, and that 2) most ...
