The six of us sit close to the fire. Some to warm themselves, some just to be near the light and all of us for the company. We are huddled here in this cold, quiet place waiting and knowing that soon we will be all that stands between a world full of life and an eternity of darkness. The six of us have two things in common; we were all born sometime from mid-July through the end of August during the Perseid meteor shower, though on different years and we all have a handicap that is our gift, our talent. My name is Laya, and this is my story, the story of what led me to this place. Born completely deaf, Laya's world is not defined by what she can see, smell, taste and touch, it is defined by the music that surrounds and moves through her. Endowed with an ability that exceeds anything in human experience, Laya must learn to control her power before it destroys her and all around her and, at the same time, must fashion it as a weapon against the greatest threat the world has ever known. One of the six heroes chosen to stand against the darkness, Laya will Sing and it will change the destiny of our world forever. Reality Is Not What You Think.

Set in the colorful backdrop of the Arizona-Mexico border, CafE Dulcet is an insightful story that follows Ximena "Nena" Ferrer through a closely-knit series of past and present events in her life. A captivating, female-character-driven, contemporary drama that draws on a diverse array of characters to complement Nena's strong yet quirky personality, CafE Dulcet is a flavorful discovery of the similarities between coffee beans and people as they go through the processes that test inherent natures and strengths, and ultimately shape and give them their flavor and purpose. CafE Dulcet is also a reminder that no matter how foreign people's lives may seem -- their language, their experiences, their culture, their place in the world -- there is always a point of convergence. Coffee, with its global, all-senses-evoking qualities, oftentimes serves as that unifying factor.

"I promise you this, Ella, that as of now, I will never lie to you again." He leaned forward and kissed me again, and I stood there, letting him, desperately debating whether I could trust him or not. His promise burned through me, his words scorched into my being. It was so tempting to believe him, more tempting than anything else I had ever faced in all my life. Freedom was only freedom if I could trust it to be true.
