She's discussed nail varnish with a 12 year old Michael Jackson and introduced Lou Reed to David Bowie over filet mignon. For the first time ever, all her stories are collected in one volume. *There Goes Gravity* is a addictive homage to rock and roll and to Lisa's place within it.

"This collection contains two plays by Gao Xingjian, winner of the Nobel Prize for Literature 2000. Escape was written in 1989

in the wake of the June 4 Student Movement in Tiananmen Square in Beijing. With the publication of the play, Gao was expelled from the Chinese Communist Party, dismissed from his state appointment and had his house in Beijing confiscated. Perhaps because of this controversy, *Escape* has become the most performed of all of Gao's plays: it has been staged in Sweden, Germany, Belgium, France, Poland, Japan, Ivory Coast, Tunisia, and Canada. Wherever it was staged, it was given a locally relevant interpretation and was well received, which lends credence to Gao's claim of the universality of the play he describes

as the tragedy of modern man. The Man Who Questions Death is the latest of Gao's plays. It is also one of the most exciting and powerful." -- Book jacket.

He's been called a journeyman. Even Paul wouldn't dispute that classification. Regardless, Bill Simmons, ESPN's "The Sports Guy," has said of Paul Shirley, "We could finally have an answer to the question 'What would it be like if one of our friends was an NBA player?'" There's no denying that Paul Shirley is the closest thing pro basketball's got to Odysseus. In Homeric fashion, he has

logged time practically everywhere in the roundball universe, from six NBA cities to pro leagues in Spain and Greece to North America's pro ball Siberia, the minor leagues. Hell, he's even played in the real Siberia. And in *Can I Keep My Jersey?*, Shirley finally puts down roots long enough to deliver one of the great locker-room chronicles of the modern age. With sharp elbows and an even sharper wit, Shirley—whose writings have been described as “wildly entertaining” by *The Wall Street Journal*—drops hilarious commentary, revealing which teams have the best cheerleaders (he's

spent many a time-out watching them ply their trade), why Christ is rapidly becoming every team's "sixth man," and even the best ways to get bloodstains out of your game uniform, using only an ordinary bar of soap and a hotel bathroom sink. From sharing the court with Kobe and Shaq to perusing the food court at some mall in a bush-league burg; from taking pregame layups to getting laid out by a stray knee from an NBA power forward; from hopping a limo to the team's charter jet to dashing to catch the van home from a B-league game in Tijuana, Shirley dishes on what it's like to try to make it as a professional

athlete. Can I Keep My Jersey? is a rollicking, thoughtful, even thought-provoking insider's look at a pro baller's life on the fringe. Like Jim Bouton's Ball Four or John Feinstein's A Season on the Brink, Shirley's odyssey deserves to find a home on every sports fan's bookshelf.

This unique work examines the role played by sexuality in the historical encounter between China and the West. Distinguished historian D. E. Mungello focuses especially on Western homosexuals who saw China as a place of escape from the homophobia of Europe and North America. His groundbreaking study traces the lives of two dozen men, many previously unknown to have same-sex desire, who fled to China and in the process

influenced perceptions of Chinese culture to this day. This escapism engendered casual sexual encounters, serious friendships, and substantive intellectual relationships, all of which had a profound impact on shaping the modern Western conception of China.
