This business policy textbook meets the AACSB guidelines, which support a more practical orientation over a theory/research based approach.

Aiming to bridge the gap between theory and application, this work focuses on strategic management.

@COURSE = For undergraduate courses in Strategic Management, Strategy, and Business Policy. Designed in functional four-color, this book offers a popular practitioner-oriented perspective, focuses on skill-building in all major areas of strategy formation, implementation, and evaluation, and weaves three very contemporary themes throughout each chapter—globalization, the natural environment, and e-commerce. Forty-one cases are included. Coverage includes corporate and organizational structure, marketing concepts, financial tools and techniques, strategy implementation issues, as well as extensive integration of global issues and concerns and how global issues and idiosyncrasies relate to specific concepts. For anyone interested in the fields of Strategic Management, Strategy, and Business Policy.

A new generation of churches is emerging, calling new disciples to the way of Jesus by proclaiming the Good News and seeking the transformation of culture. Bob Whitesel takes us inside congregations that draw upon ancient traditions and modern technologies to create a spiritual community and shows how the practices of the "organic church" can be instructive for all those wishing to reach today's world with the gospel of Christ. Bob Whitesel is Associate Professor in the Department of Graduate Studies in Ministry at Indiana Wesleyan University in Marion, Indiana. A sought-after speaker and conference leader, he is the author of several books, including Growth by Accident, Death by Planning, also published by Abingdon Press.

This volume has been designed as a supplement to traditional texts in graduate and undergraduate strategic management courses. Few textbooks reflect the importance of sustainability and environmental protection. This book aims to fill this gap by including discussion of the natural environment.

Written to provide guidance for civil society organizations and their client groups, this book examines the role of NGOs in the development processes on the African continent. It raises questions about the influence of funding agencies over the NGOs they support and explores the challenges NGOs face. The book argues that increased knowledge and cooperation on all parts is essential to achieve sustainable development. This book also concludes that sustainable development activities are not beneficial to every community in Africa. Taking into consideration globalization and studies of sub-Saharan countries, this book concludes that new models of leadership are necessary for the success of Africa, and NGOs are a vital part of achieving that development.

Fully updated and revised to include the latest case studies and examples from a broad range of industry sectors, this second edition of Strategic Marketing: An Introduction is a concise, thorough and enlightening textbook that demonstrates how organizations can cope with a myriad of demands by better understanding themselves, their products or services, and the world around them. From assessing internal relationships to planning and implementing marketing strategies, and featuring analysis of relationship marketing and strategic alliances, Proctor uses insights from a range of key models and theoretical frameworks to illustrate how an organization can successfully take advantage of 'strategic windows' to improve its position. Core issues covered include: marketing strategy analyzing the business environment the customer in the market place targeting and positioning marketing mix strategy. This textbook is the complete guide to assessing and imposing a realistic and successful marketing strategy to fit an organization, its resources and objectives, and the environment in which it operates. Accessibly written and supported by a user-friendly companion website, this new edition of Strategic Marketing: An Introduction is an essential resource for all students of marketing and business and management. A companion website provides additional material for lecturers and students alike: www.routledge.com/textbooks/9780415458160/

Thorough yet concise, ESSENTIALS OF STRATEGIC MANAGEMENT, Third Edition, is a brief version of the authors' market-leading text STRATEGIC MANAGEMENT: AN INTEGRATED APPROACH. Following the same framework as the larger book, ESSENTIALS helps students identify and focus on core concepts in the field in a more succinct, streamlined format. Based on real-world practices and current thinking, the text's presentation of strategic management features an increased emphasis on the business model concept as a way of framing the issues of competitive advantage. Cutting-edge research, new strategic management theory, and a hands-on approach allow students to explore major topics in management, including corporate performance, governance, strategic leadership, technology, and business ethics. In addition, a high-quality case program examines small, medium, and large companies--both domestic and international--so that students gain experience putting chapter concepts into real-world practice in a variety of scenarios.
