A series of titles written to cover the complete Cambridge IGCSE Mathematics (0580) syllabus and endorsed by Cambridge International Examinations. This lively textbook, written by an experienced author and teacher, delivers comprehensive coverage of the IGCSE Mathematics syllabus for both Core and Extended courses. Offering a wealth of questions, supported by worked examples and diagrams, with hints and tips along the way to reinforce skills and guide learning. The dynamic and quality text, endorsed by Cambridge International Examinations, has been made available in print and e-book formats. The print book includes a CD-ROM of supplementary materials including interactive revision questions, worksheets, worked solutions and calculator support. These supplementary materials, except the interactive questions, are also included in the e-book version.

Written to support and enhance assessment alongside the pupil texts, these resources offer a range of material for the AQA specification. They provide test questions for each chapter together with detailed mark schemes to make assessment easy. Two versions of each question are provided, one allows pupils to write their answers in the spaces provided and the other requires pupils to have separate writing paper. Questions can be grouped according to needs. Master grids are provided to cut and paste tests together in a consistent format to use the resource in any order. Chapter tests can be grouped to form a module test after chapters. End-of-chapter examinations can also be produced in this way. A free non-calculator supplement organised by unit/chapter is also included in this resource.
