Be A Happier Author Before Becoming A Best-selling One From the #1 Bestselling author of the “Self-Publishing Without Spending A Dime,” comes this DIY manual of practical tips and advice that can make you a happier writer before making you a best-selling one. Distilling his practical, hands-on experience in putting out over 50 books in seven languages on all e-Book platforms, Prasenjeet Kumar takes on all those forces that conspire to prevent you—the writer—from becoming a great storyteller. Self-doubt, lack of sales, rejections, excessive “workshopping,” sales addiction and the feeling readers don't care for your books—are some of those demons that can make writers unhappy, desperate, and despondent. With great personal and professional insight, Prasenjeet Kumar tells you how to exorcise those ghosts and turn yourself in to a confident author. So come, realise your author dreams, with a happier frame of mind, and, of course, Without Spending A Dime. So what are you waiting for? Grab a copy today or download a sample now!

Nat Idle, a San Francisco writer with a medical degree, narrowly survives an explosion in an Internet cafe after a stranger hands him a note warning him to exit immediately. The handwriting on the note belongs to his deceased girlfriend, a Silicon Valley venture capitalist whom he has obsessively been mourning. So begins Hooked, a pop thriller for the Internet Age, written with the force of an adrenaline rush and the pace of an intimate email dispatch you can't stop reading. Each chapter of this novel will keep readers hooked as Nat Idle searches for the love of his life in the midst of manipulation and conspiracy.

A practical, no nonsense guide into the essentials of composing and publishing eBooks. The Kit provides advice and step-by-step instructions on how to set up a file for conversion into the dominant formats of ePub, mobi (Kindle), optimised pdf as well as the new Fixed Layout formats suitable for spread-oriented books. You'll then see how to package the files for uploading to online distributors such as Amazon, Apple and Kobo by starting with a master file that is similar to that created for print or print on demand (POD) production. The Kit also provides strategies for getting out the word about your title to the global community. What's new in the 3rd Edition? • Information on the new export features from InDesign CC (Creative Cloud) that allow you to export to Fixed Layout formats as well as “flowable” ePub files for eBook devices. • an up-to-date review of the latest dedicated eBook Readers, smartphones, phablets and tablets in terms of what functionality they have for enhanced eBook files • the best FREE conversion programs • Step by step instructions on how to set up your book in iBooks Author, and how to prepare and add multimedia elements to your iBooks Author work • Streamlining your workflow in Word, Pages and Adobe's Creative Cloud Suite to shorten the conversion process • hands-on directions on how to use Sigil to edit your ePub files and Calibre to view and convert them to Kindle friendly mobi files • how to validate your files in iBooks Author and Kindle Previewer offline before uploading them to Apple and the Kindle Store • when to outsource conversion of your book, to whom and how much you should expect to pay • updated social media strategies for spreading the word about your book • and much, much more

Read this if you want to sell more books, make more money as an author, or rank higher in your category. My name is Nick Vulich. The first thing you should know about me is I'm not a writer, and I'm not an expert on self-publishing either. I never worked in the industry, and I don't have any experience working for the big publishers. In fact, the only thing I consider myself an expert in is how to sell on eBay, Amazon, and Fiverr... So why should you listen to me? Like most indie authors, I came into publishing through the back door. I had a story to tell, and one day I just sat down and let it all come out. What I wrote wasn't pretty, or polished...but, it helped a lot of people sell more stuff on eBay. What I couldn't say with fancy prose, I made up for with enthusiasm. Because of that, my books sold. I'm not going to lie to you. It wasn't easy. I read just about every book available on self-publishing. I studied up on KDP Free days, Countdown Deals, price pulsing...

The steamy Chicago Rebels series returns with this racy and sassy tale of embittered hearts, second chances, and going for the goal—on and off the ice. Violet Vasquez never met her biological father, so learning he left his beloved hockey franchise—the Chicago Rebels—to her is, well, unexpected. Flat broke and close to homeless, Violet is determined to make the most of this sudden opportunity. Except dear old dad set conditions that require she takes part in actually running the team with the half-sisters she barely knows. Working with these two strangers and overseeing a band of hockey-playing lugs is not on her agenda...until she lays eyes on the Rebels captain and knows she has to have him. Bren St. James has been labeled a lot of things: the Puck Prince, Lord of the Ice, Hell's Highlander...but it's the latest tag that's making headlines: washed-up alcoholic has-been. This season, getting his life back on track and winning the Cup are his only goals. With no time for relationships—except the fractured ones he needs to rebuild with his beautiful daughters—he's finding it increasingly hard to ignore sexy, all-up-in-his-beard Violet Vasquez. And when he finds himself in need of a nanny just as the playoffs are starting, he's faced with a temptation he could so easily get hooked on. For two lost souls, there's more on the line than just making the best of a bad situation... there might also be a shot at the biggest prize of all: love.
