Need your help, I'm going crazy. I just purchased a 2007 Coachmen with a Jensen VR185 installed. The manual that I have shows a radio with a TF button which is not on the radio installed. All directions are for use with the TF button. I am unable to set the clock or do anything. What is up with this.. I have looked everywhere for help.

See owner's manual for proper wiring. Confirm 12v + to each appropriate trigger lead. o Note: Trigger will remain active as long as there is 12VDC+ to that wire, preventing control or access to other inputs/cameras. No audio in observation mode. Verify selected camera has audio capability. Verify volume setting.
