Assign the Check Your Understanding as a formative assessment for this lesson. Assign the Graphic Organizer as a formative assessment for this lesson. Copy only the first page or two for your students. The last page is a filled-in answer key for scoring. After completing the chapter, assign Chapter 9 Review as a summative assessment.

Teacher Guide 9.3 - 5E Lesson Plan - School Specialty
The sum of the three numbers is 7 more than twice the largest number. x + (x + 1) + (x + 2) = 7 + 2(x + 2) 3x + 3 = 7 + 2x + 4 3x + 3 = 2x + 11. x + 3 = 11. x = 8 So the smallest number is 8. You can check that 8 + 9 + 10 = 7 + 2 10. Notice that this is the same answer as you got in the Guess and Check table.
