Standards for student supervision and assessment

Student nurses must successfully complete an NMC-approved pre-registration programme in order to meet our standards for registered nurses and be able to join our register. Our standards framework. Our standards for pre-registration midwifery programmes follow the student journey and are grouped under the following five headings:

Standards for pre-registration nursing programmes - nmc.org.uk

Download Free Nmc Student Guidelines

We review and maintain standards for nursing and midwifery education and practice at both pre and post-registration levels. These standards are required to be met by all nursing and midwifery students on NMC approved programmes prior to entry to the register. This will ensure they are fit to practise at the point of registration. In response to the current ongoing Covid-19 situation, we've produced an emergency set of education programme standards to enable our Approved Education ...

As a nursing student, you should not be rostered to work on the ward or within the sphere of nursing as a nurse. Students are placed on the ward or within a sphere of nursing to undertake a clinical placement and meet certain learning needs. You should not be placed in a situation where adequate levels of support cannot be guaranteed.

NMC: Preceptorship | Advice guides | Royal College of Nursing

NMC is now in Stage 2 of its reopening plan. This plan is designed to limit the spread of COVID-19 while allowing the College to meet the needs of our learners and continue important business functions. Stage 2 allows for services by appointment only and some small lab classes to be performed on campus following the College's safety guidelines.
