St. Elizabeth's, a home for unwed mothers in Habit, Kentucky, usually harbors its residents for only a little while. Not so Rose Clinton, a beautiful, mysterious woman who comes to the home pregnant but not unwed, and stays. She plans to give up her child, thinking she cannot be the mother it needs. But when Cecilia is born, Rose makes a place for herself and her daughter amid St. Elizabeth's extended family of nuns and an ever-changing collection of pregnant teenage girls. Rose's past won't be kept away, though, even by St. Elizabeth's; she cannot remain untouched by what she has left behind, even as she cannot change who she has become in the leaving.

Rose, a beautiful and mysterious woman living at St. Elizabeth's home for unwed mother, has no intention of telling her mother or her husband about her pregnancy, until a healing spring near the home changes her mind.

Bernard Doyle cares about is his ability to keep his children—all his children—safe. Set over a period of twenty-four hours, *Run* takes us from the Museum of Comparative Zoology at Harvard to a home for retired Catholic priests in downtown Boston. It shows us how worlds of privilege and poverty can coexist only blocks apart from each other, and how family can include people you've never even met. As in her bestselling novel *Bel Canto*, Ann Patchett illustrates the humanity that connects disparate lives, weaving several stories into one surprising and endlessly moving narrative. Suspenseful and stunningly executed, *Run* is ultimately a novel about secrets, duty, responsibility, and the lengths we will go to protect our children.

An ex-jazz drummer wants nothing more than to be a good father in this moving family novel by the New York Times–bestselling author of *The Dutch House*. When his lover takes away his son, he's left only with his Beale Street, Memphis bar. He hires a young waitress named Fay Taft who brings with her a desperate, dangerous brother, Carl, and the possibility of new intimacy. Nickel finds himself consumed with Fay and Carl's dead father—Taft—obsessing over and reconstructing the life of a man he never met. A stunning artistic achievement, Taft confirms Ann Patchett's standing as one of the most gifted writers of her generation and reminds us of our deepest instincts to protect the people we love. “What could be merely a literary parlor trick—keeping three stories in the air at once—becomes...as resonant as a blues song, each story harmonizing with and answering others.... Expect miracles when you read Ann Patchett's fiction.”—New York Times “A moving emblem of fatherhood's rarely explored passion.”—Los Angeles Times “Patchett writes with remarkable conviction and attention to telling detail.... [She] is excellent at portraying the steady love and interest that holds the family members together, even though that love and interest isn't always successful in preserving the members from danger.”—Jane Smiley, Pulitzer Prize–winning author of *Golden Age* “Strikingly original.”—Kirkus Reviews

Catholic lore, American tales, and Sicilian superstition blend in this “clever, funny, heartbreaking, and heartwarming” novel (Publishers Weekly). Born with unruly red hair, a sharp tongue, and wine-colored marks all over her body—marks that oddly mimic a map of the world and make her subject to endless ridicule—Garnet Ferrari would hardly consider herself blessed. So when an emissary from the Vatican shows up at her door, convinced that her seeming ability to cure the skin ailments of others qualifies her for sainthood, she's not quite convinced—or pleased. Garnet sets off on a quest to better understand who she is and where she and her unusual gifts came from. Tracing a twisted path that leads from Sicily to West Virginia, poverty to riches, romance to loss, reality to mythology, Garnet uncovers a truth far more powerful than any dermatological miracle: that the things of which we are most ashamed often become our greatest strengths. “A cleareyed, touching fable of a girl learning the hard truths about herself and others.” —Kirkus Reviews

Sabine—twenty years a magician's assistant to her handsome, charming husband—is suddenly a widow. In the wake of his death, she finds he has left a final trick; a false identity and a family allegedly lost in a tragic accident but now revealed as very much alive and well. Named as heirs in his will, they enter Sabine's life and set her on an adventure of unraveling his secrets, from sunny Los Angeles to the windswept plains of Nebraska, that will work its own sort of magic on her.

HE'S BACK. AND HE'S THE BIGGEST THING IN POLITICS. He is the perfect presidential candidate. Conservatives love his hard-hitting Republican résumé. Liberals love his peaceful, progressive practicality. The media can't get enough of his larger-than-life personality. And all the American people love that he's an honest, hard-working man who tells it like it is. There's just one problem. He is William Howard Taft . . . and he was already president a hundred years ago. So what on earth is he doing alive and well and considering a running mate in 2012? A most extraordinary satire, Jason Heller's debut novel follows the strange new life of a presidential Rip Van Winkle: a man who never even wanted the White House in the first place, yet finds himself hurtling toward it once more—this time, through the media-fueled madness of 21st-century America.

What happens when the person who is your family is someone you aren't bound to by blood? What happens when the person you promise to love and to honor for the rest of your life is not your lover, but your best friend? In *Truth & Beauty*, her frank and startlingly intimate first work of nonfiction, Ann Patchett shines a fresh, revealing light on the world of women's friendships and shows us what it means to stand together. Ann Patchett and Lucy Grealy met in college in 1981, and, after enrolling in the Iowa Writers' Workshop, began a friendship that would be as defining to both of their lives as their work was. In her critically acclaimed and hugely successful memoir, *Autobiography of a Face*, Lucy Grealy wrote about losing part of her jaw to childhood cancer, the years of chemotherapy and radiation, and then the endless reconstructive surgeries. In *Truth & Beauty*, the story isn't Lucy's life or Ann's life, but the parts of their lives they shared. This is a portrait of unwavering commitment that spans twenty years, from the long, cold winters of the Midwest, to surgical wards, to book parties in New York. Through love, fame, drugs, and despair, this book shows us what it means to be part of two lives that are intertwined. This is a tender, brutal book about loving a person we cannot save. It is about loyalty, and about being lifted up by the sheer effervescence of someone who knew how to live life to the fullest.
