Papacy - Papacy - The modern papacy: The revolutionary age in Europe, which opened with the French Revolution, continued the attack on the papacy. It provoked the capture of two popes by the French, Pius VI (1775–99) and Pius VII (1800–23), and the creation of a Roman Republic (1798–99), which replaced the Papal States.

The early modern papacy The popes of this period found their programs challenged by the growing power of the nation-states. Nevertheless, there were some positive developments, including reform of the College of Cardinals and the founding of new orders such as the Theatines (1524), the Barnabites (1530), the Capuchins (1619), and, perhaps most important of all, the Society of Jesus, the Jesuits (1540).

The 12th century was a period of growth and transformation during which the impetus of Gregorian Reform came to a close and the papacy adjusted to the new realities brought about by the events of the previous century. Traditionally the spiritual centre of the church, the papacy evolved into a great administrative and bureaucratic institution. Indeed, the papal court became, in some ways, the highest court of appeals, exercising jurisdiction in a broad range of legal matters and creating ...

Electing the Pope in Early Modern Italy, 1450-1700. Miles Pattenden. Description. Electing the Pope in Early Modern Italy, 1450-1700 offers a radical reassessment of the history of early modern papacy, constructed through the first major analytical treatment of papal elections in English. Papal elections, with their ceremonial pomp and high drama, are compelling theater, but, until now, no one has analyzed them on the basis of the problems they created for cardinals: how were they to agree ...
