Creative individuals, by their nature, tend to defy the crowd. They resist merely thinking or doing what others are thinking or doing. Rather, they tend to go off in their own direction, seeking to propose ideas that are both novel and useful in some way.

~~Creativity — Robert J. Sternberg~~

Creativity as an ability, or a personality trait, first gained popularity after Graham Wallas' book *Art of Thought*. In this work, Wallas presents a model for how humans approach problems and think creatively. And thus, the modern idea of creativity was born.

~~What is creativity? The ultimate guide to understanding ...~~

"Picasso was the gateway to true modern art. His painting *Les Femmes d'Alger (O. J. R. M.)* is considered the birth of modern art, which influenced many of the other great modern painters. Art doesn't need to be perfectly and accurately represented images to be beautiful; art is intended to invoke a mood to the viewer."
