Writers using this form of writing always know what will happen in the story or written text because they have already made a prior study of what to say or write.

~~Should Research Papers be Written in First or Third Person ...~~

Writing in the third person is writing using the third person point of view. This involves using pronoun such as him, her, it or them. This is quite different from the first-person point of view which predominantly uses pronouns such as I and me and the second person point of view in which the main pronouns used are you and yours. The beauty of writing in the third person is that it gives your work an element of objectivity and flexibility.
